### Summary of reasons for decision:

The computer image file printout does not deal with any matters under s3(1) of the Films, Videos and Publications Classification Act 1993, nor do s3A or s3B of that Act apply. The publication is therefore unrestricted.

The image is a photograph of a girl in her mid-teens posing in a bikini. There are no overtly sexual elements to the image, and the girl's pose is "sexy" rather than sexual. A reasonable person would not necessarily consider the image to be sexual in nature.

An unrestricted classification places no limitation on the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
